Re: United States v. Olsen Key Docket No. 98-CR-446-01

Dear Your Honor, Judge Korman,
During the months of November & December 2007, former appellate attorney, Georgia T. Hyde, provided Counselor, Records of Clinton Correctional Facility copies of my federal Judgment of Commitment papers and a letter requesting that I be placed in protective custody due to my involvement in the above case, which the court and the government acknowledged during sentencing. Amongst the papers provided by Ms. Hyde were documents labeled, "Not For Public Disclosure", which is part of my commitment papers.
In retaliation for being labeled as the sole cause of an officer's arrest for mail theft, prison officials of Corson and Empire Correctional Facilities provided inmates with copies of documents provided by Ms. Hyde, and recently, the Assistant U.S. Attorney, Todd Phillips. In addition, and as an attempt to regain street credibility, Michael Mathis (Prosecutor) also provided altered documents bearing signatures of federal agents indicating I am the sole cause of his (Michael Mathis)

arrest and conviction, and that I switched on a rap recording artist, Rakim.

In retaliation for an officer being arrested and found in possession of my incoming mail at Sing Sing Correctional Facility (see enclosed documents), prison officials are refusing to place me in protective custody, and have altered my mental health records to indicate I am paranoid and delusional.

The documents relating to the above case provided to Counselor Ms. Sweet of Elmira Corr. Fac. by Ms. Phillips were also recently provided to inmates and is now circulating throughout state correctional facilities. I am being called a government rat by prison officials, and told I will suffer severe consequences if I pursue civil litigation against prison officials of the Department of Corrections.

To avoid a false and fabricated response from the Assistant U.S. Attorney, Todd Phillips, I am providing documents as evidence of intentional mail tampering since 2004, which continues to date.

Since sentencing on the above case, I have been under constant threat, and fear physical attacks due to my cooperation in the above case, an issue and threat this court refuse to take seriously.

I am requesting the court to respond to this letter, and issue an order for placement in protective custody.

I kindly thank you for all aid and assistance provided.

Yours truly,
 Debra Key
